Dear Mrs Wennberg,

Subject : Intake assessment report on carrageenan

On behalf of Marinalg I am pleased to enclose a copy of the Intake report on Carrageenan.

I would like to apologise for the delay in submitting this data but as you will appreciate it is not easy to obtain information on intake arising from the use of additives in infant formulae. We have considered how best to approach this request and contacted a number of intake specialists. The document supplied has been compiled by Myra Weiner and a copy of her CV is appended.

I hope that this will address the questions raised but if you require clarification on any of points please do not hesitate to contact me.

Yours Sincerely,

A. J Hardinge
OBE BSc CSci FIFST
